23/09/20	23/09/20	1800 number	Dust	Discussed stakeholder's concerns by phone. Site team were aware and actively mitigating dust blowing from site using water to dampen areas and cleaning dirt as required. Made commitment to continue actively mitigating dust as much as possible.	Closed	No
25/09/20	25/09/20	1800 number	Dust	Discussed stakeholder's concerns by phone. Site team limited work on site due to heavy winds, and mitigated work being completed using measures such as wet sawing and dampening areas. Discussed further measures that could be implemented in the future to minimise dust blowing from the site, including the movement of site gates. Advised that the gate locations were required due to traffic flow, but considerations of further mitigations will be ongoing.	Closed	No
