Out of Hours Delivery Notification

22 June 2022

Dear Neighbour

The NSW Government is delivering a new Sydney Fish Market which will retain its authentic experience and strengthen its position as one of Australia's leading tourist destinations.

Out of Hours Delivery

We are writing to notify you that Multiplex will be undertaking oversized, over mass traffic movements (OOTM) to the new Sydney Fish Market on the following dates and times (weather permitting):

- **Thursday 23 June and Friday 24 June** arriving on site at approximately 5am into Gate 4. On each day the truck will park onsite and wait until 7.00am to be unloaded.
- **Friday 24 June** a pre-loaded truck will leave the site at approximately 3am via Gate 5.

The OOTM has been scheduled during times where traffic levels are low on the surrounding roads, and will be under traffic control where required. All required road occupancy licences, permits and approvals have been granted.

Thank you for your patience and cooperation during this essential work.
