## Community Notification

### Out of Hours Delivery Notification

2 September 2022

Dear Neighbour

The NSW Government is delivering a new Sydney Fish Market which will retain its authentic experience and strengthen its position as one of Australia's leading tourist destinations.

#### Out of Hours Delivery

We are writing to notify you that Multiplex will be undertaking oversize, over mass traffic movements (OOTM) to the new Sydney Fish Market on the following dates and times:

- **Tuesday 6 September** entering site between 4:30-5:30am into gate 3. The truck will park onsite and be unloaded during standard working hours.
- **Wednesday 7 September** an oversize truck will travel to site via Wentworth Park Road between 10am-3pm and enter site at Gate 4. The truck will reverse onto site under guidance of traffic controllers
- **Thursday 8 September** a prime mover will arrive on site at approximately 3:30am into Gate 4. The truck with oversized trailer will then depart site from Gate 5 between 3:30am-5:00am via Bridge Road towards Anzac Bridge.

The OOTM has been scheduled during times where traffic levels are low on the surrounding roads and will be under traffic control where required. All required road occupancy licences, permits and approvals have been granted.

*Please note schedules are subject change.*

Thank you for your patience and cooperation during this essential work.
